The last date for submission of public comments is indicated on each Notice of Proposed Rule Making. Unless a different date is specified by statute, the proposing agency must accept comments for at least: 60 days after the date of *Register* publication of a Notice of Proposed Rule Making or combined Notice of Emergency Adoption and Proposed Rule Making; and 45 days after publication of a Notice of Revised Rule Making or combined Notice of Emergency Adoption and Revised Rule Making. When a public hearing on a proposed rule is statutorily required: the hearing may not be held until at least 60 days after the publication date of the notice; and comments must be accepted for at least 5 days after the last required hearing. When a public comment period for a proposed rule is scheduled to end on a Saturday, Sunday or public holiday, comments are accepted through the next succeeding business day.

For notices published in this issue:
– the 60-day period expires on April 26, 2026
– the 45-day period expires on April 11, 2026

Be a part of the rule making process!

Public comment on proposed rules is encouraged and may be submitted to the agency that is proposing the rule. Address your comments to the agency representative whose name and address is printed in the rule making notice. No special form is required; a handwritten letter will do. Individuals who access the online *Register* (dos.ny.gov/state-register) may send public comment via electronic mail to e-mail addresses that may be provided in Notices of Proposed Rule Making. This includes Proposed, Emergency/Proposed, Revised Proposed and Emergency/Revised Proposed rule makings.

To be considered, comments should reach the agency before expiration of the public comment period. The State Administrative Procedure Act provides for a minimum 60-day public comment period after publication in the *Register* for Notices of Proposed Rule Making, and a 45-day public comment period for Notices of Revised Rule Making. If a public hearing is required by statute, public comments are accepted for at least five days after the last such hearing. Agencies are also required to specify in each notice the last date of the public comment period.

When a public comment period would end on a Saturday or Sunday, the agency accepts public comment through the following Monday; when the comment period ends on a public holiday, public comment will be accepted through the next succeeding business day. Agencies cannot adopt a proposed rule until the day after the conclusion of the public comment period.

The Administrative Regulations Review Commission (ARRC) reviews newly proposed regulations to examine issues of compliance with legislative intent, impact on the economy, and impact on affected parties. In addition to sending comments or recommendations to the agency, please do not hesitate to transmit your views to ARRC:

RULE MAKING ACTIVITIES

Each rule making is identified by an I.D. No., which consists of 13 characters. For example, the I.D. No. AAM-01-96-00001-E indicates the following:

AAM	-the abbreviation to identify the adopting agency
01	-the *State Register* issue number
96	-the year
00001	-the Department of State number, assigned upon receipt of notice.
E	-Emergency Rule Making—permanent action not intended (This character could also be: A for Adoption; P for Proposed Rule Making; RP for Revised Rule Making; EP for a combined Emergency and Proposed Rule Making; EA for an Emergency Rule Making that is permanent and does not expire 90 days after filing.)

Italics contained in text denote new material. Brackets indicate material to be deleted.

Examination Requirements for Optometry Licensure

I.D. No. EDU-08-26-00005-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: Amendment of section 66.2 of Title 8 NYCRR.

Statutory authority: Education Law, sections 207, 6504, 6506, 6507 and 7104

Subject: Examination requirements for optometry licensure.

Purpose: To align the examination requirements for licensure with the National Board of Examiners in Optometry.

Text of proposed rule: Section 66.2 of the Regulations of the Commissioner of Education is amended to read as follows:

Section 66.2. Professional licensing examination

Each applicant for licensure who meets the requirements of section 66.1 of this Part shall pass a written examination in the basic and clinical sciences, and a practical examination, in accordance with the following:

(a) Written examination. The [department may accept grades acceptable to the State Board for Optometry on the examination of the] *applicant shall pass Parts I and II of the examinations of the* National Board of Examiners in Optometry *or comparable examinations satisfactory to the State Board of Optometry* as meeting the requirements of all or part of the written examination requirement.

(b) Practical examination.

[(1) Content. The practical examination shall include, but shall not be limited to, the following sections: vision analysis, rigid contact lenses, soft contact lenses, pathology, low vision, vision training, dispensing, and the use of topically applied diagnostic drugs.

(2) Passing score. The passing score in the practical examination shall be reported on a pass/fail basis with the passing score being an average of 75.0 as determined by the State Board for Optometry. In order to determine this average, no section score shall be accepted with a score less than 65.0, and not more than one section score with a score less than 75.0, except that a score of 75.0 must be achieved in the sections of vision analysis and pathology. A candidate who fails the practical exam shall be reexamined in all sections.]

The applicant shall pass the Part III examination of the National Board of Examiners in Optometry or comparable examinations satisfactory to the State Board of Optometry as meeting the requirements of all or part of the practical examination requirement.

Text of proposed rule and any required statements and analyses may be obtained from: Joshua Dingman, Education Department, Office of Counsel, 89 Washington Avenue, Albany, NY 12234, (518) 474-6400, email: legal@nysed.gov

Data, views or arguments may be submitted to: David H. Hamilton, Deputy Commissioner, Education Department, Office of Professions, 89 Washington Avenue, 2nd Floor EB, Albany, NY 12234, (518) 474-1431, email: REGCOMMENTS@nysed.gov

Public comment will be received until: 60 days after publication of this notice.

This rule was not under consideration at the time this agency submitted its Regulatory Agenda for publication in the Register.

Regulatory Impact Statement

1. STATUTORY AUTHORITY:

Section 207 of the Education Law grants general rule-making authority

to the Board of Regents to carry into effect the laws and policies of the State relating to education.

Section 6504 of the Education Law authorizes the Board of Regents to supervise the admission to and regulation of the practice of the professions and the New York State Education Department to administer the admission to and regulation of the practice of the professions, with the assistance of a state board for each profession.

Section 6506 of the Education Law authorizes the Board of Regents to supervise the admission to and the practice of the professions.

Paragraph (a) of subdivision (2) of section 6507 of the Education Law authorizes the Commissioner of Education to promulgate regulations in administering the admission to and the practice of the professions.

Subdivision (4) of section 7104 of the Education Law establishes the requirement that applicants for licensure as optometrists must pass an examination satisfactory to the State Board of Optometry and in accordance with the Commissioner's Regulations.

2. LEGISLATIVE OBJECTIVES:

The proposed rule implements subdivision (4) of section 7104 of the Education Law which requires applicants for licensure as an optometrist to pass an examination satisfactory to the State Board of Optometry in accordance with the Commissioner's Regulations. The State Board of Optometry has advised the Department that Part I (Applied Basic Science), Part II (Patient Assessment & Management), and Part III (Clinical Skills) of the examinations of the National Board of Examiners in Optometry (NBEO) are satisfactory for this purpose. The NBEO is currently the only national examination provider for the profession of optometry.

Section 66.2 of the Commissioner's Regulations identifies the Parts I and II examinations of the NBEO as meeting the written examination requirement, and Part III of the NBEO examination as meeting the practical examination requirement for licensure in optometry. This regulation also identifies specific content requirements for the practical examination. However, the specific content requirements set forth in the regulation are outdated and no longer aligned with the NBEO examinations.

The proposed amendment of section 66.2 of the Commissioner's Regulations removes outdated content requirements for the Part III practical examination. Since the specific content of the practical examination changes over time to meet contemporary practice needs, there is no need to identify specific content of the practical examination within the regulation itself.

In addition, applicants for optometry licensure who received professional education outside of New York State prior to August 2024 may not have taken the current version of the NBEO examinations but have taken and passed comparable examinations offered by NBEO. The current regulation does not provide a mechanism for these comparable NBEO examinations to be accepted for licensure. Moreover, the current regulation does not leave room for the State Board of Optometry to consider new examinations which may be satisfactory. To remedy this, the proposed amendment to section 66.2 of the Commissioner's Regulations enables the Department to accept comparable examinations that have also been determined by the State Board for Optometry to be satisfactory for the purposes of professional licensure.

The proposed rule amends section 66.2 of the Commissioner's regulations by:

- removing outdated content requirements for the Part III practical examination because it no longer aligns with the NBEO examinations; and
- enabling the Department to accept comparable examinations that have also been determined by the State Board for Optometry to be satisfactory for the purposes of professional licensure.

3. NEEDS AND BENEFITS:

The purpose of the proposed rule is to update the licensure examination requirements to align with the NBEO examinations and enable the Department to accept comparable examinations that have also been determined by the State Board for Optometry to be satisfactory for the purposes of optometrist licensure.

4. COSTS:

(a) Costs to State government: There are no additional costs to state government.

(b) Costs to local government: There are no additional costs to local government.

(c) Costs to private regulated parties: Other than the costs for taking the NBEO optometrist licensure examinations, there are no mandatory costs to private regulated parties.

(d) Costs to the regulatory agency: There are no additional costs to the Department.

5. LOCAL GOVERNMENT MANDATES:

The proposed rule does not impose any program service, duty, responsibility, or other mandate on local governments.

6. PAPERWORK:

The proposed rule does not impose any paperwork mandates on applicants for optometrist licensure. However, the examination vendor, NBEO, may require applicants to complete paperwork to take the licensure examinations.

7. DUPLICATION:

There are no other state or federal requirements on the subject matter of the proposed rule. Therefore, the amendment does not duplicate other existing state or federal requirements.

8. ALTERNATIVES:

The proposed rule aligns with NBEO examinations standards by removing outdated content requirements for the Part III practical examination because it no longer aligns with the NBEO examinations; and enabling the Department to accept comparable examinations that have also been determined by the State Board for Optometry to be satisfactory for the purposes of professional licensure. There are no significant alternatives to the proposed rule and none were considered.

9. FEDERAL STANDARDS:

Since there are no applicable federal standards, the proposed rule does not exceed any minimum federal standards for the same or similar subject areas.

10. COMPLIANCE SCHEDULE:

It is anticipated that the proposed rule will be presented to the Board of Regents for permanent adoption at the May 2026 Regents meeting. If adopted at the May 2026 Regents meeting, the proposed amendment to section 66.2 of the Commissioner's Regulations will become effective on June 3, 2026. It is anticipated that the regulated parties will be able to comply with the proposed rule by the effective date.

Regulatory Flexibility Analysis

The purpose of the proposed rule is to implement subdivision (4) of section 7104 of the Education Law which requires applicants for licensure as optometrists to pass an examination satisfactory to the State Board of Optometry in accordance with the Commissioner's Regulations. The State Board of Optometry has advised the Department that Part I (Applied Basic Science), Part II (Patient Assessment & Management), and Part III (Clinical Skills) of the examinations of the National Board of Examiners in Optometry (NBEO) are satisfactory for this purpose. The NBEO is currently the only national examination provider for the profession of optometry.

Section 66.2 of the Commissioner's Regulations identifies the Parts I and II examinations of the NBEO as meeting the written examination requirement, and Part III of the NBEO examination as meeting the practical examination requirement for licensure in optometry. This regulation also identifies specific content requirements for the practical examination. However, the specific content requirements set forth in the regulation are outdated and no longer aligned with the NBEO examinations.

The proposed amendment of section 66.2 of the Commissioner's Regulations removes outdated content requirements for the Part III practical examination. Since the specific content of the practical examination changes over time to meet contemporary practice needs, there is no need to identify specific content of the practical examination within the regulation itself.

In addition, applicants for optometry licensure who received professional education outside of New York State prior to August 2024 may not have taken the current version of the NBEO examinations but have taken and passed comparable examinations offered by NBEO. The current regulation does not provide a mechanism for these comparable NBEO examinations to be accepted for licensure. Moreover, the current regulation does not leave room for the State Board of Optometry to consider new examinations which may be satisfactory. To remedy this, the proposed amendment to section 66.2 of the Commissioner's Regulations enables the Department to accept comparable examinations that have also been determined by the State Board for Optometry to be satisfactory for the purposes of professional licensure.

The proposed rule amends section 66.2 of the Commissioner's Regulations by:

- removing outdated content requirements for the Part III practical examination because it no longer aligns with the NBEO examinations; and
- enabling the Department to accept comparable examinations that have also been determined by the State Board for Optometry to be satisfactory for the purposes of professional licensure.

Subdivision (4) of section 7104 of the Education Law requires all applicants for licensure as an optometrist to pass an examination satisfactory to the State Board of Optometry in accordance with Commissioner's Regulations.

The proposed rule does not impose any new reporting, recordkeeping, or other compliance requirements on local governments or have any adverse economic impact on small businesses or local governments. Because it is evident from the nature of the proposed amendment that it will not adversely affect small businesses or local governments, no affirmative steps were needed to ascertain that fact and none were taken. Accordingly, a regulatory flexibility analysis for small businesses and local governments is not required, and one has not been prepared.

Rural Area Flexibility Analysis

The purpose of the proposed rule is to implement subdivision (4) of section 7104 of the Education Law which requires applicants for licensure

as an optometrist to pass an examination satisfactory to the State Board of Optometry in accordance with the Commissioner's Regulations. The State Board of Optometry has advised the Department that Part I (Applied Basic Science), Part II (Patient Assessment & Management), and Part III (Clinical Skills) of the examinations of the National Board of Examiners in Optometry (NBEO) are satisfactory for this purpose. The NBEO is currently the only national examination provider for the profession of optometry.

Section 66.2 of the Commissioner's Regulations identifies the Parts I and II examinations of the NBEO as meeting the written examination requirement, and Part III of the NBEO examination as meeting the practical examination requirement for licensure in optometry. This regulation also identifies specific content requirements for the practical examination. However, the specific content requirements set forth in the regulation are outdated and no longer aligned with the NBEO examinations.

The proposed amendment of section 66.2 of the Commissioner's Regulations removes outdated content requirements for the Part III practical examination. Since the specific content of the practical examination changes over time to meet contemporary practice needs, there is no need to identify specific content of the practical examination within the regulation itself.

In addition, applicants for optometry licensure who received professional education outside of New York State prior to August 2024 may not have taken the current version of the NBEO examinations but have taken and passed comparable examinations offered by NBEO. The current regulation does not provide a mechanism for these comparable NBEO examinations to be accepted for licensure. Moreover, the current regulation does not leave room for the State Board of Optometry to consider new examinations which may be satisfactory. To remedy this, the proposed amendment to section 66.2 of the Commissioner's Regulations enables the Department to accept comparable examinations that have also been determined by the State Board for Optometry to be satisfactory for the purposes of professional licensure.

The proposed rule amends section 66.2 of the Commissioner's Regulations by:

- removing outdated content requirements for the Part III practical examination because it no longer aligns with the NBEO examinations; and
- enabling the Department to accept comparable examinations that have also been determined by the State Board for Optometry to be satisfactory for the purposes of professional licensure.

Subdivision (4) of section 7104 of the Education Law which requires all applicants for licensure as an optometrist to pass an examination satisfactory to the State Board of Optometry in accordance with Commissioner's Regulations. This statute does not provide any exceptions from the aforementioned statutory authority for applicants seeking licensure as optometrists in rural areas. Thus, the proposed amendment does not adversely impact entities in rural areas of New York State because all New York State applicants for optometrist licensure must comply with the same requirements. .Accordingly, no further steps were needed to ascertain the impact of the proposed amendment on applicants for optometrist licensure and entities in rural areas and none were taken. Thus, a rural flexibility analysis is not required, and one has not been prepared.

Job Impact Statement

It is not anticipated that the proposed rule will adversely impact jobs or employment opportunities. This is because the proposed rule implements subdivision (4) of section 7104 of the Education Law which requires applicants for licensure as an optometrist to pass an examination satisfactory to the State Board of Optometry in accordance with the Commissioner's Regulations. The State Board of Optometry has advised the Department that Part I (Applied Basic Science), Part II (Patient Assessment & Management), and Part III (Clinical Skills) of the examinations of the National Board of Examiners in Optometry (NBEO) are satisfactory for this purpose. The NBEO is currently the only national examination provider for the profession of optometry.

Section 66.2 of the Commissioner's Regulations identifies the Parts I and II examinations of the NBEO as meeting the written examination requirement, and Part III of the NBEO examination as meeting the practical examination requirement for licensure in optometry. This regulation also identifies specific content requirements for the practical examination. However, the specific content requirements set forth in the regulation are outdated and no longer aligned with the NBEO examinations.

The proposed amendment of section 66.2 of the Commissioner's Regulations removes outdated content requirements for the Part III practical examination. Since the specific content of the practical examination changes over time to meet contemporary practice needs, there is no need to identify specific content of the practical examination within the regulation itself.

In addition, applicants for optometry licensure who received professional education outside of New York State prior to August 2024 may not have taken the current version of the NBEO examinations but have taken and passed comparable examinations offered by NBEO. The current regulation does not provide a mechanism for these comparable NBEO examinations to be accepted for licensure. Moreover, the current regulation does not leave room for the State Board of Optometry to consider new examinations which may be satisfactory. To remedy this, the proposed amendment to section 66.2 of the Commissioner's Regulations enables the Department to accept comparable examinations that have also been determined by the State Board for Optometry to be satisfactory for the purposes of professional licensure.

The proposed rule amends section 66.2 of the Commissioner's Regulations by:

- removing outdated content requirements for the Part III practical examination because it no longer aligns with the NBEO examinations; and
- enabling the Department to accept comparable examinations that have also been determined by the State Board for Optometry to be satisfactory for the purposes of professional licensure.

Therefore, any impact on jobs or employment opportunities created by the proposed amendment is attributable to the proposed rule. The proposed amendment will not have a substantial adverse impact on jobs and employment opportunities and may have a positive impact on jobs and employment opportunities because the proposed amendment could result in more applicants taking the licensure examination in New York State and applying for licensure here. This would improve New Yorkers' access to optometry services and the public health. Because it is evident from the nature of the proposed amendment that it will not affect job and employment opportunities, no affirmative steps were needed to ascertain that fact and none were taken. Accordingly, a job impact statement is not required and one has not been prepared.

Epinephrine Devices

I.D. No. EDU-08-26-00006-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: Amendment of sections 136.6 and 136.7 of Title 8 NYCRR.

Statutory authority: Education Law, sections 101, 207, 305, 902-b, 916-a, 921 and 921-a; L. 2025, ch. 502

Subject: Epinephrine Devices.

Purpose: Removal of the phrase "epinephrine auto-injector" and replacement with "epinephrine device" pursuant to chapter 502 of L. 2025.

Text of proposed rule: 1. Section 136.6 of the Regulations of the Commissioner of Education is amended as follows:

Section 136.6. Authorized use of epinephrine [auto-injector] *devices*

(a) Definitions. As used in this section:

(1) Epinephrine [auto-injector] device means a single-use device used for the automatic injection of a premeasured dose of epinephrine into the human body for the purpose of emergency treatment of a person appearing to experience anaphylactic symptoms approved by the United States Food and Drug Administration.

(2) Trained school personnel means any person employed by a school district, board of cooperative educational services, county vocational education and extension board, charter school or non-public elementary and secondary school, including but not limited to, health professionals who have successfully completed a training course in the use of epinephrine [auto-injector] devices approved by the Department of Health pursuant to Public Health Law section 3000-c.

(3)…

(b) Each school district, board of cooperative educational services, county vocational education and extension board, charter school, and non-public elementary and secondary school may provide and maintain on-site in each instructional school facility epinephrine [auto-injectors] *devices* for use during emergencies in accordance with Public Health Law section 3000-c. Each such facility shall have sufficient epinephrine [auto-injectors] *devices* available to ensure ready and appropriate access for use during emergencies to any student or staff having symptoms of anaphylaxis, whether or not there is a previous history of severe allergic reaction. In determining the quantity and placement of epinephrine auto-injectors, consideration shall be given to:

(1)…

(2)…

(c) In the event of an emergency, trained school personnel or school personnel directed in a specified instance to use an epinephrine [auto-injector] device by a health care practitioner as defined in Public Health Law section 3000-c, may administer an epinephrine [auto-injector] *device*

to any student or school personnel having symptoms of anaphylaxis in an instructional school facility, whether or not there is a previous history of severe allergic reaction pursuant to Public Health Law section 3000-c.

(d)…

2. Paragraph (2) of Subdivision (a) of Section 136.7 of the Regulations of the Commissioner of Education is amended as follows:

(2) Epinephrine [auto-injector] *device* means an automated [injection] delivery device, approved by the United States Food and Drug Administration, for [injecting] *administering* a measured dose of the drug epinephrine.

3. Subdivision (c) of Section 136.7 of the Regulations of the Commissioner of Education is amended as follows:

(c) Students with Allergies.

(1) Each board of education or trustees of each school district and each board of cooperative educational services shall allow a student to carry and self-administer their prescribed epinephrine [auto injector] *device* during the school day, on school property, and at any school function, if the student provides the school with:

(i)…

(ii)…

(2)…

(3) Upon written request of a parent or person in parental relation the school district or board of cooperative educational services, as applicable, shall allow the student to maintain an extra epinephrine [auto injector] *device* in the care and custody of a licensed nurse, nurse practitioner, physician assistant, or physician employed by such district or board of cooperative educational services.

(i) Nothing in this section shall require a school district or board of cooperative educational services to retain a licensed nurse, nurse practitioner, physician assistant, or physician solely for the purpose of taking custody of such extra epinephrine [auto injector] *device*; or require that such licensed health professionals be available at all times in a school building for the purpose of taking custody of the epinephrine [auto injector] *device*.

(ii) Such an epinephrine [auto injector] *device* provided by the parent or person in parental relation shall be made available to the student as needed in accordance with school policy and the orders prescribed by the duly authorized health care provider.

(4) Each student with allergies who is permitted under this section to self-administer his or her prescribed epinephrine [auto injector] *device* should have an emergency action plan on file with the school district or board of cooperative educational services.

(5) Licensed nurses, nurse practitioners, physician assistants, or physicians employed by schools or boards of cooperative educational services are authorized to administer prescribed epinephrine pursuant to the scope of practice of the licensed individual under Title VIII of the Education Law, to students diagnosed with an allergy by a physician or other duly authorized health care provider and who are permitted under this section to self-administer their prescribed epinephrine [auto injector] *device*.

(6) Separate from the authority provided by section 136.6 of this Part, for students authorized to self-administer their prescribed epinephrine pursuant to this section, the board of education or trustees of each school district and board of cooperative educational services and non public schools are authorized, but not required, to have licensed registered professional nurses, nurse practitioners, physician assistants, and physicians train unlicensed school personnel to administer prescribed epinephrine auto-injectors in emergency situations, where an appropriately licensed health professional is not available, to the students authorized to self-administer their prescribed epinephrine [auto injector] *device* pursuant to this section. Training by the licensed health professional shall be provided in a competent manner and in accordance with subdivision (f) of this section.

5. Paragraph (1) of Subdivision (f) of Section 136.7 of the Regulations of the Commissioner of Education is amended as follows:

(1) Prescribed Epinephrine [Auto-Injectors] *devices*. Unlicensed school personnel employed by school districts, boards of cooperative education services, and non-public schools must complete an annual course of training regarding the administration of prescribed epinephrine [auto-injectors] *devices* to a student. Such training must be provided and documented by an authorized licensed health professional as described in subdivision (c) of this section. Components of such training shall include, but not be limited to:

(i)…

(ii)…

(iii)…

(iv) the steps for administering the prescribed epinephrine [auto-injector] *device*;

(v) observation of the trainee using an epinephrine [auto-injector] training device;

(vi)…

(vii)…

(viii) methods of safely storing, handling, and disposing of epinephrine [auto-injectors] *devices*.

Regulatory Impact Statement

1. STATUTORY AUTHORITY:

Education Law § 101 charges the Department with the general management and supervision of all public schools and all of the educational work of the state.

Education Law § 207 grants general rule-making authority to the Regents to carry into effect State educational laws and policies.

Education Law § 305(1) and (2) provide that the Commissioner, as chief executive officer of the State's education system, with general supervision over all schools and institutions subject to the Education Law, or of any statute relating to education, and responsibility for executing all educational policies of the Board of Regents.

Education Law § 902-b authorizes specific school staff to administer prescribed epinephrine to pupils with an allergy during the school day on school property and at other school functions.

Education Law § 916-a requires boards of education and boards of cooperative educational services to allow students that have been diagnosed with an allergy to carry and use prescribed epinephrine devices for the emergency treatment of allergic reactions during the school day on school property and at other school functions.

Education Law § 921 authorizes boards of education, boards of cooperative educational services and nonpublic schools to have licensed health professionals train unlicensed school personnel to administer epinephrine devices in emergency situations where licensed health professionals are not available.

Education Law § 921-a authorizes school districts, boards of cooperative educational services, county vocational education and extension boards, charter schools, and nonpublic elementary and secondary schools to provide and maintain on-site in each instructional school facility epinephrine devices for use to any student or staff having anaphylactic symptoms regardless of previous history of an allergic reaction in certain emergency situations.

Chapter 502 of the Laws of 2025, which amends provisions of the Public Health Law and Education Law to expand the definition of epinephrine devices to include epinephrine nasal sprays.

2. LEGISLATIVE OBJECTIVES:

The proposed rule is consistent with the above statutory authority and is necessary to conform the Commissioner's regulations to Chapter 502 of the Laws of 2025 (Chapter 502) by removing use of the phrase "epinephrine auto-injector" and replacing it with "epinephrine device."

3. NEEDS AND BENEFITS:

Education Law §§ 902-b, 916-a, 921 and 921-a were originally enacted to increase access to epinephrine by permitting students to carry and use their prescribed epinephrine auto-injectors and by permitting unlicensed school staff to be trained on the administration of epinephrine auto-injectors. Since the laws were enacted, new formulations of epinephrine have been developed and made available that do not require administration with an auto-injector. As a result, Chapter 502 amends Education Law §§ 902-b, 916-a, 921 and 921-a to replace the word "auto-injector" with "device." The proposed rule will ensure consistency with these statutory changes.

4. COSTS:

(a) Costs to State government: The proposed rule does not impose any costs on State government.

(b) Costs to local government: The proposed rule does not impose any costs on local government beyond those imposed by statute.

(c) Cost to private regulated parties: The proposed rule does not impose any costs on private regulated parties.

(d) Cost to the regulatory agency: The proposed rule does not impose any costs on the State Education Department for implementation and continued administration.

5. LOCAL GOVERNMENT MANDATES:

The proposed rule does not impose any program service, duty, responsibility, or other mandate on local governments beyond those imposed by statute.

6. PAPERWORK:

The proposed rule does not impose any paperwork mandates.

7. DUPLICATION:

There are no other state or federal requirements on the subject matter of the proposed rule. Therefore, the amendment does not duplicate other existing state or federal requirements.

8. ALTERNATIVES:

The proposed rule is necessary to conform the Commissioner's regulations to Chapter 502 by removing use of the phrase "epinephrine auto-injector" and replacing it with "epinephrine device." There are no significant alternatives to the proposed rule and none were considered.

9. FEDERAL STANDARDS:

There are no related federal standards. Since there are no applicable federal standards, the proposed rule does not exceed any minimum federal standards for the same or similar subject areas.

10. COMPLIANCE SCHEDULE:

It is anticipated that the proposed rule will be presented to the Board of Regents for permanent adoption at the June 2026 meeting. If adopted at the June 2026 Regents meeting, the proposed amendment will become effective as a permanent rule on July 1, 2026. It is anticipated that the regulated parties will be able to comply with the proposed rule by the effective date.

Regulatory Flexibility Analysis

The purpose of the proposed rule is to conform the Commissioner's regulations to Education Law §§ 902-b, 916-a, 921 and 921-a by removing use of the phrase "epinephrine auto-injector" and replacing it with "epinephrine device."

The proposed rule does not impose any new reporting, recordkeeping, or other compliance requirements on small businesses or local governments or have any adverse economic impact on small businesses or local governments. Because it is evident from the nature of the proposed rule that it does not adversely affect small businesses or local governments, no further measures were needed to ascertain that fact, and none were taken. Accordingly, a regulatory flexibility analysis for small businesses and local governments is not required pursuant to section 202-b(3)(a) of the State Administrative Procedure Act, and one has not been prepared.

Rural Area Flexibility Analysis

The purpose of the proposed rule is to conform the Commissioner's regulations to Education Law §§ 902-b, 916-a, 921 and 921-a by removing use of the phrase "epinephrine auto-injector" and replacing it with "epinephrine device."

The proposed rule will not have any adverse impact, nor impose any reporting, recordkeeping or other compliance requirements on public or private entities in rural areas. Because it is evident from the nature of the proposed amendment that it does not adversely impact entities located in rural areas, no further measures were needed to ascertain that fact and none were taken. Accordingly, a rural area flexibility analysis is not required pursuant to section 202-bb(4)(a) of the State Administrative Procedure Act, and one has not been prepared.

Job Impact Statement

The purpose of the proposed rule is to conform the Commissioner's regulations to Education Law §§ 902-b, 916-a, 921 and 921-a by removing use of the phrase "epinephrine auto-injector" and replacing it with "epinephrine device."

Because it is evident from the nature of the proposed amendment that it will have no impact on jobs or employment opportunities attributable to its adoption or only a positive impact, no affirmative steps were needed to ascertain these facts, and none were taken. Accordingly, a job impact statement is not required pursuant to section 201-a(2)(a) of the State Administrative Procedure Act, and one has not been prepared.

REVISED RULE MAKING
NO HEARING(S) SCHEDULED

Special Education Impartial Hearing Officers (IHOs)

I.D. No. EDU-38-25-00013-RP

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following revised rule:

Proposed Action: Amendment of sections 200.1(x) and 200.21 of Title 8 NYCRR.

Statutory authority: Education Law, sections 107, 207, 305, 4404 and 4410

Subject: Special education impartial hearing officers (IHOs).

Purpose: To amend the definition of an IHO and to clarify the IHO complaint process.

Text of revised rule: 1. Subdivision (x) of section 200.1 of the Regulations of the Commissioner of Education is amended to read as follows:

(x) Impartial hearing officer means an individual assigned by a board of education pursuant to Education Law, section 4404(1), or by the commissioner in accordance with section 200.7(d)(1)(i) of this Part, to conduct a hearing and render a decision. In a city school district having a population of one million or more inhabitants, an impartial hearing officer may also be employees and/or contractors of a permanent, standing administrative tribunal. No individual employed by a school district, school, or program serving students with disabilities placed there by a school district committee on special education may serve as an impartial hearing officer and no individual employed by such schools or programs may serve as an impartial hearing officer for two years following the termination of such employment, provided that a person who otherwise qualifies to conduct a hearing under this section shall not be deemed an employee of the school district, ssolely because he or she is paid by such schools or programs to serve as an impartial hearingchool or program serving students with disabilities officer. An impartial hearing officer shall:

(1)…

(2)…

(3) be independent, shall not be an officer, employee, or agent of the school district or of the board of cooperative educational services of which such school district is a component, or an employee of the Education Department, shall not have a personal or professional interest which would conflict with his or her objectivity in the hearing, and shall not have participated in any manner in the formulation of the recommendation sought to be reviewed; [and]

(4) be certified by the commissioner as an impartial hearing officer eligible to conduct hearings pursuant to Education Law, section 4404(1), and subject to suspension or revocation of such certification by the commissioner for good cause in accordance with the provisions of section 200.21 of this Part. In order to obtain and retain such a certificate, an individual shall:

(i)…

(ii) …

(iii) …

(iv) …

(v) …

(vi) be willing and available to accept appointment to conduct impartial hearings.

Notwithstanding the provisions of section 200.21 of this Part, unless good cause has been provided to the commissioner including, but not limited to, cause resulting from poor health as certified by a physician, active military services or other similar extenuating circumstances, the certification of an impartial hearing officer shall be rescinded upon a finding that the impartial hearing officer was not willing or available to conduct an impartial hearing within a two-year period of time[.]; *and*

(5) in a city school district having a population of one million or more inhabitants, be continuously employed or report to a permanent, standing administrative tribunal. An impartial hearing officer's certification is contingent on their employment or contracting with such tribunal.

2. Subdivision (b) of section 200.21 of the Regulations of the Commissioner of Education is amended to read as follows:

(b) Procedures for the suspension or revocation of impartial hearing officer certification. The certification of impartial hearing officers is subject to suspension or revocation on the grounds of incompetence or misconduct.

(1) Complaints alleging the misconduct or challenging the competence of an impartial hearing officer [shall] *must* be made in a signed written statement to the commissioner and [shall] *must* contain a concise statement and documentation of the facts upon which the complaint is based*, and must not include personally identifiable information of any student(s) related thereto.*

(i) Complaints brought by a parent, school district, or a nonparty to a due process hearing must be filed within one year of the final action in the due process hearing or, where an appeal has been taken, within one year of the decision of the State Review Officer indicated in section 200.5(k) of this Part.

(ii) Jurisdiction will not be accepted where:

(a) the allegations relate to the impartial hearing officer's rulings or decision, such as incorrect reasoning or lack of a suitable rationale;

(b) the allegations raise questions about the exercise of the impartial hearing officer's discretion; or

(c) the allegations were appealed to the State Review Officer and decided by the State Review Officer, or could have been appealed to the State Review Officer pursuant to section 200.5(k) of this Part, but were not appealed.

(iii) For the purposes of this section, misconduct means that an impartial hearing officer engaged in demonstrably egregious behavior that reflects a lack of judicial temperament, such as abusive or harassing language, acting in a hostile and undignified manner, or unlawful harassment.

(iv) For the purposes of this section, incompetence means that an impartial hearing officer engaged in unreasonable conduct that resulted in a denial of due process to one or both parties to an impartial hearing.

(2) The commissioner will review all complaints to determine if they meet the requirements of paragraph (1) of this subdivision. The commissioner may dismiss any complaint, or any part thereof, that fails to meet such requirements or if an investigation is not otherwise warranted. Each complainant shall receive notification if their complaint is dismissed.

[(2)] *(3)* Upon receipt of the complaint, the commissioner shall provide the impartial hearing officer with notice of the complaint and 30 days to respond [thereto] *in writing, which may include supporting evidence*.

[(3)] *(4)* The commissioner shall provide for review and, if warranted, further investigation of the complaint. The investigation process shall be conducted in accordance with the following:

(i) A [summary] copy of the complaint shall be sent to the impartial hearing officer [and complainant].

(ii) [Additional] *The complaint investigator may request additional* information [may be requested from the complainant] *from the parties* as appropriate, which may include a request for [a sworn] *an* affidavit.

[(iii) The impartial hearing officer shall be provided an opportunity to respond in writing and provide documentation to the State Education Department. The response from the impartial hearing officer must be received not later than 30 days from the date the impartial hearing officer receives the complaint summary.]

[(iv)]*(iii)*…

[(v)]*(iv)*….

[(vi)]*(v)* If, upon a review of the facts, the commissioner finds misconduct or incompetence on the part of the impartial hearing officer, the commissioner may issue a warning letter to the impartial hearing officer containing an order for corrective action, [or, depending on such factors as the level of misconduct or incompetence and the number of prior findings of misconduct or incompetence against the impartial hearing officer, the certification of the impartial hearing officer may be suspended or revoked.] *impose additional training or technical assistance to be completed by the impartial hearing officer, temporarily remove the impartial hearing officer from the list of available hearing officers required by section 200.2(e) of this Part including being ineligible to have cases reassigned to them pursuant to section 200.2(e)(1)(ii)(c) of this Part, or suspend or revoke certification of the impartial hearing officer*.

[(4)] *(5)* In addition to complaints made to the commissioner in accordance with paragraph (1) of this subdivision, the commissioner, on his or her initiative, may [suspend, revoke, or take such other appropriate action with respect to the certification of the impartial hearing officer] *impose any of the remedies outlined in subparagraph (vi) of paragraph (4) of this section* upon a finding that:

(i) the impartial hearing officer failed to comply with an order of the commissioner;

(ii) the impartial hearing officer failed to issue a decision in a timely manner where such delay was not due to extensions granted at the request of either party as documented in the record; [or]

(iii) the State Review Officer determined that an impartial hearing officer engaged in conduct [which] *that* constitutes misconduct or incompetence[.]*; or*

(iv) the impartial hearing officer committed misconduct or incompetence.

[(5) The commissioner, upon finding that good cause has been established of either misconduct or incompetence on the part of the impartial hearing officer, shall revoke or suspend the certification of the impartial hearing officer, except that the commissioner may, in his discretion, issue either a warning or a conditional suspension of certification pending completion of a specified course of training where the imposition of a more severe penalty would not be justified.]

Revised rule compared with proposed rule: Substantial revisions were made in section 200.21(b)(1).

Text of revised proposed rule and any required statements and analyses may be obtained from Joshua Dingman, NYS Education Department, Office of Counsel, 89 Washington Avenue, Albany, NY 12234, (518) 474-6400, email: legal@nysed.gov

Data, views or arguments may be submitted to: Christopher Suriano, Assistant Commissioner, NYS Education Department, Office of Special Education, 89 Washington Avenue, Albany, NY 12234, (518) 473-2878, email: regcomments@nysed.gov

Public comment will be received until: 45 days after publication of this notice.

Revised Regulatory Impact Statement

Since publication of a Notice of Proposed Rule Making in the State Register on September 24, 2025, the following substantial revisions were made to the proposed rule:

Section 200.21(b)(1)(ii)(b) was removed from the proposed rule and clauses (a) through (c) of subparagraph (ii) of this section was renumbered accordingly.

The above changes require that the ALTERNATIVES section of the previously published Regulatory Impact Statement be revised to read as follows:

ALTERNATIVES: The proposed rule is necessary to: (1) amend the definition of an IHO to specify that hearing officer certification for IHOs who are employees or contractors of New York City Office of Administrative Trials and Hearings (OATH), which performs various functions to administer the system for conducting the special education impartial hearing process in the City School District for the City of New York (NYCDOE),is contingent on their continued employment with OATH and will not be maintained beyond the scope of their employment; and (2) to clarify the complaint process whereby parties can allege misconduct or challenge the competence of an IHO. There are no significant alternatives to the proposed rule available and none were considered.

Revised Regulatory Flexibility Analysis

Since publication of a Notice of Proposed Rule Making in the State Register on September 24, 2025, the proposed rule was revised as set forth in the Revised Regulatory Impact Statement submitted herewith.

Such revisions to the proposed rule do not require any revisions to the previously published Regulatory Flexibility Analysis.

Revised Rural Area Flexibility Analysis

Since publication of a Notice of Proposed Rule Making in the State Register on September 24, 2025, the proposed rule was revised as set forth in the Revised Regulatory Impact Statement submitted herewith.

Such revisions to the proposed rule do not require any revisions to the previously published Rural Area Flexibility Analysis.

Revised Job Impact Statement

Since publication of a Notice of Proposed Rule Making in the State Register on September 24, 2025, the proposed rule was revised as set forth in the Revised Regulatory Impact Statement submitted herewith.

The aforementioned revisions do not require any changes to the previously published Statement in Lieu of Job Impact Statement since the revised proposed rule will not have a substantial impact on jobs and employment opportunities. Because it is evident from the nature of the revised proposed rule that it will not affect job and employment opportunities, no affirmative steps were needed to ascertain that fact and none were taken. Accordingly, a job impact statement is not required pursuant to section 201-a(2)(a) of the State Administrative Procedure Act, and one has not been prepared.

Assessment of Public Comment

This assessment summarizes the comments received on the proposed rule, published on September 24, 2025, Please refer to the full Assessment of Public Comment (APC) for the Department's complete assessment of public comment at: http://www.counsel.nysed.gov/rules/full-text-indices.

IHO Certification in New York City

1. COMMENT: One commenter states that:

- the proposed rule creates a significant and unnecessary limitation on IHOs who want to continue serving outside of New York City (NYC), where hearings are conducted by the Office of Administrative Trials and Hearings (OATH);
- the rule is unclear whether IHOs that had been certified previous to their employment with OATH would lose their certification upon ending their employment;
- the proposed rule disincentivizes highly experienced IHOs from considering OATH service since acceptance may result in them forfeiting their independent statewide certification status.

The commenter recommends that IHOs should be able to retain their certification once OATH employment ends. Finally, the commenter requests that the proposed rule preserve flexibility to allow both NYC and the State to benefit from having a broad and experienced roster of IHOs.

DEPARTMENT RESPONSE: This rule applies to all currently certified IHOs. There are currently 118 IHOs who hear approximately 450 cases filed outside of NYC per year. Thus, the Department has no present need for IHOs to continue serving outside NYC once their employment with OATH terminates. However, to the extent that a need for additional IHOs arises in the future, when undertaking recruitment efforts, the Department will consider certifying previously certified IHOs on an accelerated schedule, subject to confirmation that the IHO meets the requirements of State and federal rules and regulations, and after consideration of any complaint findings, warnings, corrective actions, suspension, or revocation issues pursuant to 8 NYCRR 200.21. If necessary, the Department anticipates that it will publish guidance on such process. No changes to the proposed rule are necessary.

IHO Complaint Process

2. COMMENT: Some commenters disagreed with limiting the ability to present claims of bias.

DEPARTMENT RESPONSE: In response to this comment, the Department has amended the proposed rule to remove bias from the list of allegations that are outside the Department's jurisdiction to investigate.

3. COMMENT: One commenter contends that the regulation conflicts with the Commissioner's obligation to establish procedures for the suspension or revocation of an IHO's certification for good cause outlined in Education Law § 4404[1]; specifically, the commenter maintains that bias and abuse of discretion represent "good cause."

DEPARTMENT RESPONSE: The proposed rule has been revised to remove bias from List of allegations that are outside the Department's jurisdiction to investigate.

4. COMMENT: One commenter contends the regulation violates due process insofar as the proposed rule provides no mechanism with which to remove a systemically biased IHO.

DEPARTMENT RESPONSE: The Department has proposed an amendment to address this issue; see the Department's response to comment three.

5. COMMENT: Some commenters contend that barring claims of IHO discretion is problematic.

DEPARTMENT RESPONSE: Many decisions are not within IHOs' discretion. IHOs are, among other things, prohibited from soliciting extensions from the parties, refusing interpreters at hearing, deviating from the timelines for commencing the hearing or rendering a decision, and scheduling hearings at times that are inconvenient to the parties. As a result, the proposed rule's reference to "discretion" does not encompass all decisions made by the IHO.

6. COMMENT: One commenter suggests that limiting claims of IHO discretion may affect a party's procedural or substantive due process rights.

DEPARTMENT RESPONSE: The commenter fails to elaborate how a party's procedural or substantive due process rights would be affected based on the proposed rule. As a result, no further changes to the proposed rule are necessary.

7. COMMENT: One commenter states that limiting complaints to those that have been, or could be, appealed to an SRO unnecessarily limits potentially legitimate complaints.

DEPARTMENT RESPONSE: Allegations that are specific to an IHO's competence or conduct are still appropriately raised in section 200.21 IHO complaints to the Commissioner.

While the Department appreciates that appeals to the SRO may pose challenges, the commenters fail to explain why the Department should entertain complaints that are otherwise appropriately before an SRO.

8. COMMENT: One commenter contends that the proposed rule requiring appeals to the SRO will require families to appeal every "biased decision" separately at "enormous expense and delay" that could only be afforded by well-resourced families and that a biased IHO could continue hearing cases while appeals to the SRO proceed. They also claim that a single IHO complaint can address systemic issues of bias, whereas appeals to the SRO cannot.

DEPARTMENT RESPONSE: There is nothing in the proposed rule requiring parents to appeal to the SRO. Rather, the proposed rule limits jurisdiction to allegations that were appealed to the SRO and decided or could have been appealed to the SRO pursuant to section 200.5(k) of this Part.

Additionally, there is no mechanism in section 200.21 to prevent an IHO from continuing to hear cases while a complaint against the IHO for misconduct or incompetence is pending.

Finally, to the extent the commenter opines on systemic issues of bias, see the Department's response to comment three. No further changes to the proposed rule are necessary.

9. COMMENT: One commenter contends that the definition of misconduct as "demonstrably egregious" is vague and that it is an unreasonably high standard of review. Moreover, limiting the definition of incompetence to a denial of due process encourages IHOs to behave poorly. Another commenter generally recommends revising the definition of misconduct and clarifying the definition of incompetence.

DEPARTMENT RESPONSE: While the commenter quibbles with the Department's proposed definition, the terms "misconduct" and "incompetence" were not previously defined. The Department believes that the proposed rule provides sufficient clarity as to what kind of behavior is prohibited. With respect to the definition of incompetence, the commenter does not specify how such a definition would encourage IHOs to behave poorly. As a result, no further changes to the proposed rule are necessary.

10. COMMENT: One commenter contends that, by defining misconduct, the proposed rule impermissibly narrows the definition to exclude bias and partiality.

DEPARTMENT RESPONSE: The Department disagrees that the definition of misconduct excludes bias and partiality. Rather, the proposed rule requires that complainants show that bias or partiality was "demonstrably egregious." Moreover, the Department has proposed an amendment to address claims of bias; see the Department's response to comment three. Therefore, no further changes to the proposed rule are necessary.

11. COMMENT: One commenter contends that the proposed rule violates federal requirements that IHOs have no personal or professional interest that conflict with their objectivity in the hearing by limiting the jurisdiction of claims.

DEPARTMENT RESPONSE: The proposed rule will be amended to remove bias from the list of allegations that are outside the Department's jurisdiction to investigate. See the Department's response to comment three. No further changes to the proposed rule are necessary.

12. COMMENT: Multiple commenters complain about the transition of the special education due process hearing system to OATH. Commenters also suggest that OATH IHOs inherently lack impartiality because of their employment with an administrative agency within NYC government.

DEPARTMENT RESPONSE: The commenters' opinions regarding the due process hearing system and IHO qualifications are unrelated to the proposed rule. Moreover, these claims were the subject of unsuccessful litigation against the Department and other entities. As a result, no further changes to the proposed rule are necessary.

13. COMMENT: One commenter speculates that the purpose of the proposed rule is to address the influx of complaints against NYC OATH IHOs, not to address any issue with the statewide hearing officers.

DEPARTMENT RESPONSE: The regulation is intended to clarify the process for filing an IHO complaint and eliminate the filing of extraneous allegations across the State. Therefore, no further changes to the proposed rule are necessary.

14. COMMENT: One commenter maintains that "commissioner complaints create public records" while individual SRO appeals "bury evidence of misconduct patterns."

DEPARTMENT RESPONSE: It is unclear how the commenter arrived at these conclusions, which do not appear to relate to the proposed rule. As a result, no further changes to the proposed rule are necessary.

15. COMMENT: One commenter suggests that the proposed rule is unnecessary as it could be addressed through "improved screening and clearer guidance."

DEPARTMENT RESPONSE: The Department disagrees that these clarifications could be made in clearer guidance or improved screening.

Approval of Safety Belts

I.D. No. MTV-08-26-00004-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: This is a consensus rule making to amend section 49.4 of Title 15 NYCRR.

Statutory authority: Vehicle and Traffic Law, sections 215(a) and 383(6)

Subject: Approval of safety belts.

Purpose: Conform regulation to industry practice.

Text of proposed rule: Part 49.4 is amended to read as follows:

[(a) Two samples of safety belts, including attachment settings, labeled package or container and instructions for installing, shall be shipped, postage prepaid, to the Commissioner of Motor Vehicles, Empire State Plaza, Albany, New York 12228, together with a certification and report of testing results from any unbiased laboratory acceptable to the commissioner, that the assembled safety belt meets with the statutory requirements of section 383 of the Vehicle and Traffic Law and this Part.

(b) In lieu of approval under subdivision (a) of this section, approval] *(a) Approval of safety belts* shall be deemed to be granted upon the receipt by the Commissioner of Motor Vehicles of a certificate of equipment approval issued by the American Association of Motor Vehicles Administrators *or a notice of equipment compliance issued by the Automotive Manufacturers Equipment Compliance Agency, Inc.* addressing such safety belts to the Commissioner of Motor Vehicles, Bureau of Automotive Safety Standards, Empire State Plaza, Albany, New York 12228.

Text of proposed rule and any required statements and analyses may be obtained from: Heidi Bazicki, NYS Department of Motor Vehicles, 6 Empire State Plaza, Room 522A, Albany, New York 12228, (518) 474-0871, email: dmv.sm.legal@dmv.ny.gov

Data, views or arguments may be submitted to: John J. Kenefick, NYS Department of Motor Vehicles, 6 Empire State Plaza, Room 522A, Albany, New York 12228, (518) 474-0871, email: dmv.sm.legal@dmv.ny.gov

Public comment will be received until: 60 days after publication of this notice.

This rule was not under consideration at the time this agency submitted its Regulatory Agenda for publication in the Register.

Consensus Rule Making Determination

Paragraph (1) of section 383 of the New York State Vehicle and Traffic Law (VTL) provides that no motor vehicle in New York State shall be sold, registered, or operated in this state unless such vehicle is equipped with safety belts approved by and conforming to standards established by the Commissioner of Motor Vehicles. Paragraph (6) of section 383 of the VTL provides that the Commissioner of Motor Vehicles may prescribe by regulation the method of securing approval of safety belts. Section 49.4 of the Commissioner's Regulations currently provides two methods in order obtain said approval of a safety belt. Subdivision (a) of section 49.4 of the Commissioner's Regulations currently provides that an applicant seeking approval of a safety belt may send two samples of the safety belts to the Department of Motor Vehicles (DMV) along with a certification and report of testing results from any unbiased laboratory that the assembled safety belt meets the statutory requirements of VTL section 383. Subdivision (b) of section 49.4 of the Commissioner's Regulations currently provides for approval of the assembled safety belt upon receipt by the Commissioner of Motor Vehicles of a certificate of equipment approval issued by the American Association of Motor Vehicles Administrators (AAMVA).

This regulation has not been amended since 1975. Under current industry practice in 2025, ninety-nine percent of safety belt approvals filed with the Commissioner of Motor Vehicles are submitted using the method provided by subdivision (b) of section 49.4 of the Commissioner's Regulations. Additionally, AAMVA is no longer the nationally recognized entity that certifies safety belts. That responsibility is now undertaken by the Automotive Manufacturers Equipment Compliance Agency, Inc. (AMECA). Therefore, the approval through the submission of samples to the Commissioner of Motor Vehicles is now obsolete and the reference to AAMVA alone is now insufficient.

The proposed rulemaking is being submitted as a consensus rule because these are revisions that conform the regulation to the standard practice of the industry for safety belt approval.

Job Impact Statement

A Job Impact Statement is not submitted with this proposed rulemaking because there is no adverse impact on job creation or development in New York State.

Petition to Submeter Electricity

I.D. No. PSC-08-26-00002-P

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following proposed rule:

Proposed Action: The Commission is considering the petition of 245 West 55th ST LLC to submeter electricity at 245 West 55th Street, New York, New York, located in the service territory of Consolidated Edison Company of New York, Inc.

Statutory authority: Public Service Law, sections 30, 32-48, 52, 53, 65(1), 66(1), (2), (3), (4), (12) and (14)

Subject: Petition to submeter electricity.

Purpose: To ensure adequate submetering equipment, consumer protections and energy efficiency protections are in place.

Substance of proposed rule: The Commission is considering the petition filed by 245 West 55th ST LLC on December 23, 2025, seeking authority to submeter residential electricity at a newly renovated condominium building, offering market rate units, situated at 245 West 55th Street, New York, New York, located in the service territory of Consolidated Edison Company of New York, Inc. (Con Edison).

In the petition, the Owner requests authorization to take electric service from Con Edison and then distribute and meter that electricity to its residents. Once approved by the Commission, submetering of electricity to residents is allowed so long as it complies with the protections and requirements of the Commission's regulations in 16 NYCRR Part 96.

The full record of the proceeding may be viewed online at the Department of Public Service web page: www.dps.ny.gov. The Commission may adopt, reject, or modify, in whole or in part, the action proposed and may resolve related matters.

Text of proposed rule and any required statements and analyses may be obtained by filing a Document Request Form (F-96) located on our website http://www.dps.ny.gov/f96dir.htm. For questions, contact: Beth Faranda, Public Service Commission, 3 Empire State Plaza, Albany, New York 12223-1350, (518) 474-5306, email: beth.faranda@dps.ny.gov

I.D. No. TDA-41-25-00025-A

Filing No. 115

Filing Date: 2026-02-10

Effective Date: 2026-02-25

PURSUANT TO THE PROVISIONS OF THE State Administrative Procedure Act, NOTICE is hereby given of the following action:

Action taken: Amendment of section 387.12(f)(3)(v)(a)-(c) of Title 18 NYCRR.

Statutory authority: Social Services Law, sections 17(a)-(b), (k), 20(3)(d), 95; 7 United States Code, section 2014(e)(6)(C); 7 Code of Federal Regulations, section 273.9(d)(6)(iii)

Subject: Standard Utility Allowances (SUAs) for the Supplemental Nutrition Assistance Program (SNAP).

Purpose: These regulatory amendments set forth federally-mandated changes to the values and application of the SUAs.

Text or summary was published in the October 15, 2025 issue of the Register, I.D. No. TDA-41-25-00025-EP.

Final rule as compared with last published rule: No changes.

Text of rule and any required statements and analyses may be obtained from: Thomas Makely, Office of Temporary and Disability Assistance, 40 North Pearl Street, 16C, Albany, NY 12243-0001, (518) 402-3966, email: thomas.makely@otda.ny.gov

Initial Review of Rule

As a rule that does not require a RFA, RAFA or JIS, this rule will be initially reviewed in the calendar year 2031, which is no later than the 5th year after the year in which this rule is being adopted.

Assessment of Public Comment

The Office of Temporary and Disability Assistance (OTDA) received one public comment relative to the regulation following its publication in the October 15, 2025, issue of the New York State Register for proposed changes to section 387.12(f)(3)(v)(a)-(c) of Title 18 of the New York Codes, Rules and Regulations. The Assessment of Public Comment includes a summary and OTDA's response to the one comment received by the expiration of the public comment period, which was outside of the scope of the Notice of Emergency Adoption and Proposed Rule Making.

The one comment was received from the New York Legal Assistance Group (NYLAG).

Comment Outside of the Scope of the Notice of Proposed Rule Making

NYLAG's comment in response to the Notice of Emergency Adoption and Proposed Rule Making requested that OTDA issue a General Information System (GIS) guidance document reflecting certain changes incorporated into the regulatory amendments related to the Standard Utility Allowances (SUAs) for the Supplemental Nutrition Assistance (SNAP) mandated by Subsection (a) of Section 10103 of Public Law No. 119-21, also referred to as H.R. 1. Such comment also requested that changes be made to various forms and screening processes including those for programs neither covered by the Notice of Emergency Adoption and Proposed Rule Making nor under OTDA's auspices or oversight, such as Section 8 and Public Housing, in response to these federally required changes. However, such comment did not touch on the content or scope of the regulatory amendment itself.

OTDA's response:

OTDA issued 25DC061 - Implementing Changes to SNAP Standard Utility Allowance (SUA) Policy for Households in Receipt of HEAP – Preliminary Guidance on September 15, 2025, which provided social services districts with policy guidance to implement the changes mandated by H.R.1, including changes to SNAP SUAs requirements, with such mandated changes being incorporated into this Notice of Emergency Adoption and Proposed Rule Making in order to conform with H.R. 1. Such guidance addresses the majority of the concerns raised by NYLAG. OTDA is in the process of updating forms that are part of the policy changes mandated by H.R. 1.

The regulation was not changed.

ACTION PENDING INDEX

The action pending index is a list of all proposed rules which are currently being considered for adoption. A proposed rule is added to the index when the notice of proposed rule making is first published in the *Register*. A proposed rule is removed from the index when any of the following occur: (1) the proposal is adopted as a permanent rule; (2) the proposal is rejected and withdrawn from consideration; or (3) the proposal's notice expires.

Most notices expire in approximately 12 months if the agency does not adopt or reject the proposal within that time. The expiration date is printed in the second column of the action pending index. Some notices, however, never expire. Those notices are identified by the word "exempt" in the second column. Actions pending for one year or more are preceded by an asterisk(*).

For additional information concerning any of the proposals listed in the action pending index, use the identification number to locate the text of the original notice of proposed rule making. The identification number contains a code which identifies the agency, the issue of the *Register* in which the notice was printed, the year in which the notice was printed and the notice's serial number. The following diagram shows how to read identification number codes.

Agency code	Issue number	Year published	Serial number	Action Code
AAM	**01**	**12**	**00001**	**P**

ADVERTISEMENTS FOR BIDDERS/CONTRACTORS

SEALED BIDS

REPLACE
BOILERS
Bedford Hills Correctional Facility
Bedford Hills, Westchester County

Sealed bids for Project Nos. M3207-H, and M3207-E, comprising separate contracts for HVAC Work, and Electrical Work, Replace Boilers, Various Powerhouse Equipment & Boiler Control System, Bedford Hills Correctional Facility, 247 Harris Road, Bedford Hills (Westchester County), NY, will be received by the Office of General Services (OGS), Design & Construction Group (D&C), Division of Contract Management, 35th Fl., Corning Tower, Empire State Plaza, Albany, NY 12242, on behalf of the Department of Corrections and Community Supervision, until 2:00 p.m. on Wednesday, March 11, 2026, when they will be publicly opened and read. Each bid must be prepared and submitted in accordance with the Instructions to Bidders and must be accompanied by a bid security (i.e. certified check, bank check, or bid bond in the amount of $125,200 for H, and $23,500 for E).

All successful bidders will be required to furnish a Performance Bond and a Labor and Material Bond pursuant to Sections 136 and 137 of the State Finance Law, each for 100% of the amount of the Contract estimated to be between $5,000,000 and $6,000,000 for H, and between $250,000 and $500,000 for E.

Pursuant to State Finance Law §§ 139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between OGS D&C and a bidder during the procurement process. A bidder is restricted from making contacts from the earliest posting on the OGS website, in a newspaper of general circulation, or in the Contract Reporter, of written notice, advertisement or solicitation of offers, through final award and approval of the contract by OGS D&C and the Office of the State Comptroller ("Restricted Period") to other than designated staff, unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law § 139-j(3)(a). Designated staff are Catherine Skaczkowski, Jessica Hoffman, and Pierre Alric in the Division of Contract Management, telephone (518) 474-0203, fax (518) 473-7862. OGS D&C employees are also required to obtain certain information when contacted during the restricted period and to make a determination of the responsibility of the bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a four-year period, the bidder is debarred from obtaining governmental Procurement Contracts. Bidders responding to this Advertisement must familiarize themselves with the State Finance Law requirements and will be expected to affirm that they understand and agree to comply on the bid form. Further information about these requirements can be found within the project manual or at: https://ogs.ny.gov/ACPL/

Pursuant to Public Buildings Law § 8(6), effective January 11, 2020, for any projects where the project design commenced on or after January 1, 2020 and for any contracts over $5,000 for the work of construction, reconstruction, alteration, repair, or improvement of any State building, a responsible and reliable NYS-certified Minority or Women-Owned Business Enterprise that submits a bid within ten percent of the lowest bid will be deemed the apparent low bidder provided that the bid is $1,680,923 or less, adjusted annually for inflation as of March 1, 2025. If more than one responsible and reliable MWBE firm meets these requirements, the MWBE firm with the lowest bid will be deemed the apparent low bidder.

__ Project commenced design before January 1, 2020. Not subject to provision.

XX Project commenced design on or after January 1, 2020. Subject to provision.

The substantial completion date for this project is 618 days after the Agreement is approved by the Comptroller.

The only time prospective bidders will be allowed to visit the job site to take field measurements and examine existing conditions of the project area will be at 10:00 a.m. on February 26, 2026, Bedford Hills Correctional Facility, Powerhouse Building, 247 Harris Road, Bedford Hills, NY. Prospective bidders are urged, but not mandated, to visit the site at this time. Prospective bidders or their representatives attending the pre-bid site visit will not be admitted on facility grounds without proper photo identification. Note that parking restrictions and security provisions will apply, and all vehicles will be subject to search. Refer to Document 002218 for any additional requirements for attendance at the pre-bid site visit.

Phone the office of Alex Melito (914-666-0889) a minimum of 72 hours in advance of the date to provide the names of those who will attend the pre-bid site visit. Only contractors that schedule a visit at least 72 hours in advance will be allowed to participate in the pre-bid site visit.

Pursuant to New York State Executive Law Article 15-A and the rules and regulations promulgated thereunder, OGS is required to promote opportunities for the maximum feasible participation of New York State-certified Minority and Women-owned Business Enterprises ("MWBEs") and the employment of minority group members and women in the performance of OGS contracts. All bidders are expected to cooperate in implementing this policy. OGS hereby establishes an overall goal of 30% for MWBE participation, 15% for Minority-Owned Business Enterprises ("MBE") participation and 15% for Women-Owned Business Enterprises ("WBE") participation (based on the current availability of qualified MBEs and WBEs) for HVAC Work; and an overall goal of 10% for MWBE participation, 5% for Minority-Owned Business Enterprises ("MBE") participation and 5% for Women-Owned Business Enterprises ("WBE") participation (based on the current availability of qualified MBEs and WBEs) for Electrical Work. The total contract goal can be obtained by utilizing any combination of MBE and /or WBE participation for subcontracting and supplies acquired under this Contract. Trades with 0% goals are encouraged to make "good faith efforts" to promote and assist in the participation of MWBEs on the Contract for the provision of services and materials.

Article 3 of the Veteran's Services Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses ("SDVOBs"). Bidders are expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles. OGS hereby establishes overall goals for SDVOBs' participation under this contract as follows: 3% for the E trade contractor, and 3% for the H trade contractor, based on the current availability of qualified SDVOBs. Trades with 0% goals are encouraged to make "good faith

efforts" to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials.

The Office of General Services reserves the right to reject any or all bids.

Bidders are expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles. OGS hereby establishes overall goals for SDVOBs' participation under this contract as follows: 0% for the C trade contractor, and 6% for the E trade contractor, based on the current availability of qualified SDVOBs. Trades with 0% goals are encouraged to make "good faith efforts" to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials.

Each bid must be prepared and submitted in accordance with the Instructions to Bidders and must be accompanied by a bid security (i.e. certified check, bank check, or bid bond in the amount of $140,000 for C, $6,000 for P, and $24,000 for E).

All successful bidders will be required to furnish a Performance Bond and a Labor and Material Bond pursuant to Sections 136 and 137 of the State Finance Law, each for 100% of the amount of the Contract estimated to be between $5,000,000 and $6,000,000 for C,

between $50,000 and $100,000 for P, and between $500,000 and $1,000,000 for E.

Pursuant to State Finance Law §§ 139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between OGS D&C and a bidder during the procurement process. A bidder is restricted from making contacts from the earliest posting on the OGS website, in a newspaper of general circulation, or in the Contract Reporter, of written notice, advertisement or solicitation of offers, through final award and approval of the contract by OGS D&C and the Office of the State Comptroller ("Restricted Period") to other than designated staff, unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law § 139-j(3)(a). Designated staff are Catherine Skaczkowski, Jessica Hoffman, and Pierre Alric in the Division of Contract Management, telephone (518) 474-0203, fax (518) 473-7862. OGS D&C employees are also required to obtain certain information when contacted during the restricted period and to make a determination of the responsibility of the bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a four-year period, the bidder is debarred from obtaining governmental Procurement Contracts. Bidders responding to this Advertisement must familiarize themselves with the State Finance Law requirements and will be expected to affirm that they understand and agree to comply on the bid form. Further information about these requirements can be found within the project manual or at: https://ogs.ny.gov/ACPL/

Pursuant to Public Buildings Law § 8(6), effective January 11, 2020, for any projects where the project design commenced on or after January 1, 2020 and for any contracts over $5,000 for the work of construction, reconstruction, alteration, repair, or improvement of any State building, a responsible and reliable NYS-certified Minority or Women-Owned Business Enterprise that submits a bid within ten percent of the lowest bid will be deemed the apparent low bidder provided that the bid is $1,680,923 or less, adjusted annually for inflation as of March 1, 2025. If more than one responsible and reliable MWBE firm meets these requirements, the MWBE firm with the lowest bid will be deemed the apparent low bidder.

XX Project commenced design before January 1, 2020. Not subject to provision.

__ Project commenced design on or after January 1, 2020. Subject to provision.

The substantial completion date for this project is 566 days after the Agreement is approved by the Comptroller.

The only time prospective bidders will be allowed to visit the job site to take field measurements and examine existing conditions of the project area will be at 10:00 a.m. on February 19, 2026, Otisville CF Wastewater Treatment Plant, 124 Old Mountain Rd, Otisville, NY. Prospective bidders are urged, but not mandated, to visit the site at this time. Prospective bidders or their representatives attending the pre-bid site visit will not be admitted on facility grounds without proper photo identification. Note that parking restrictions and security provisions will apply, and all vehicles will be subject to search. Refer to Document 002218 for any additional requirements for attendance at the pre-bid site visit.

Phone the office of Robert Sagala (914-443-0906) a minimum of 72 hours in advance of the date to provide the names of those who will attend the pre-bid site visit. Only contractors that schedule a visit at least 72 hours in advance will be allowed to participate in the pre-bid site visit.

Pursuant to New York State Executive Law Article 15-A and the rules and regulations promulgated thereunder, OGS is required to promote opportunities for the maximum feasible participation of New York State-certified Minority and Women-owned Business Enterprises ("MWBEs") and the employment of minority group members and women in the performance of OGS contracts. All bidders are expected to cooperate in implementing this policy. OGS hereby establishes an overall goal of 30% for MWBE participation, 15% for Minority-Owned Business Enterprises ("MBE") participation and 15% for Women-Owned Business Enterprises ("WBE") participation (based on the current availability of qualified MBEs and WBEs) for Construction Work and Electrical Work; and an overall goal of 0% for MWBE participation, 0% for Minority-Owned Business Enterprises ("MBE") participation and 0% for Women-Owned Business Enterprises ("WBE") participation (based on the current availability of qualified MBEs and WBEs) for Plumbing Work. The total contract goal can be obtained by utilizing any combination of MBE and /or WBE participation for subcontracting and supplies acquired under this Contract. Trades with 0% goals are encouraged to make "good faith efforts" to promote and assist in the participation of MWBEs on the Contract for the provision of services and materials.

Article 3 of the Veteran's Services Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses ("SDVOBs"). Bidders are expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles. OGS hereby establishes overall goals for SDVOBs' participation under this contract as follows: 3% for the C trade contractor, 3% for the E trade contractor, and 0% for the P trade contractor, based on the current availability of qualified SDVOBs. Trades with 0% goals are encouraged to make "good faith efforts" to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials.

The Office of General Services reserves the right to reject any or all bids.

PUBLIC NOTICE

Department of Health

Pursuant to the requirements of 42 CFR Section 447.205, the Department of Health, in coordination with the Office of Addiction Services and Supports (OASAS), hereby gives public notice of the following:

The Department of Health proposes to amend the Title XIX (Medicaid) State Plan for non-institutional services to comply with Title 14 NYCRR, Chapter XXI, Parts 818, 816, and pending amendment to Part 821. The following changes are proposed:

Non-Institutional Services

Effective on or after March 1, 2026, the New York State Office of Addiction Services and Supports will modify the Medicaid reimbursement for freestanding chemical dependence inpatient (residential) rehabilitation services (Title 14 NYCRR, Chapter XXI, Part 818) and freestanding chemical dependence medically supervised inpatient (residential) withdrawal and stabilization services (Part 816). Reimbursement will be provided under a new service type, known as "Comprehensive Inpatient", which combines elements of both the Part 818 and Part 816 services under a single certification pursuant to Part 821. The new fee methodology will apply only to freestanding facilities certified solely under Article 32 of the New York State Mental Hygiene Law and shall not apply to facilities certified under Article 28 of the Public Health Law. Medicaid reimbursement will be provided as a per diem rate established under a cost-based fee methodology that includes both operating and capital costs. No separate capital add-on will be permitted, and there will be no separate Medicaid reimbursement of capital costs.

Fees will be established using a regression model based on the relationship between normalized cost and certified program capacity. Statewide base rates, calculated by program capacity, will be adjusted using regional cost factors as shown below. Any change in certified program capacity will result in a corresponding rate change effective on the same date.

Geographic Regions and Regional Cost Factors

Region	Factor	Counties
1	1.2267	NYC
2	1.2001	Westchester
3	1.1825	Nassau, Suffolk, Rockland, Orange, Putnam
4	1.1009	Dutchess
5	1.0317	Erie, Niagara
6	0.9710	Madison, Onondaga, Oswego, Tompkins, Jefferson, Herkimer, Oneida
7	0.9192	Rest of State

The estimated net aggregate increase in gross Medicaid expenditures attributable to this proposal is $9,800 for state fiscal year 2025-2026 and $1.54 million for state fiscal year 2026- 2027. Thereafter, the estimated ongoing net aggregate increase in gross Medicaid expenditures is $2.62 million per state fiscal year.

The public is invited to review and comment on this proposed State Plan Amendment, a copy of which will be available for public review on the Department's website at http://www.health.ny.gov/regulations/state_plans/status. Individuals without Internet access may view the State Plan Amendments at any local (county) social services district.

PUBLIC NOTICE

Department of State
Notice of Review for the
Village of Cayuga
Draft Local Waterfront Revitalization Program

PURSUANT to Article 42 of the New York State Executive Law and 19 NYCRR Part 601, the New York State Department of State (DOS) has accepted a Draft Local Waterfront Revitalization Program (LWRP) for the Village of Cayuga, located within Cayuga County and the Central NY Region. The LWRP is a comprehensive management program for the Village's waterfront resources along Cayuga Lake.

To approve the Village of Cayuga LWRP, the Secretary of State must find that it is consistent with Article 42 of the NYS Executive Law and that it does not conflict with existing State programs and policies. Since State agency actions must be consistent with an approved LWRP, Article 42 requires that the public and any potentially affected State and regional agencies be given the opportunity to comment on the proposed program. For this purpose, the Village of Cayuga Draft LWRP is available online at: https://dos.ny.gov/public-notices

Comments on the Village of Cayuga Draft LWRP should be submitted by April 25, 2026, to: Lisa Vasilakos, Department of State, Office of Planning, Development and Community Infrastructure via email at lwrp@dos.ny.gov

Department of State
F-2025-0668
Date of Issuance – February 25, 2026

The New York State Department of State (DOS) is required by Federal regulations to provide timely public notice for the activities described below, which are subject to the consistency provisions of the Federal Coastal Zone Management Act of 1972, as amended.

The applicant has certified that the proposed activity complies with and will be conducted in a manner consistent with the approved New York State Coastal Management Program.

In F-2025-0668, Seatuck Five LLC, Anthony Villareale is proposing a marina improvement project, including the following:

- 714 linear feet of existing bulkhead to be reconstructed in-place or 4 to 6-feet landward;
- 2,010 square feet of land to be excavated (515 cubic yards) and spread out over the storage and parking areas;
- Installation of the following floating docks and decks:
  - o 5-foot x 10-foot dock;
  - o 6-foot x 22-foot dock;
  - o 4-foot x 32-foot dock;
  - o 8-foot x 10-foot platform;
  - o 6-foot x 98-foot deck;
  - o Four 4-foot x 35-foot docks;
- Addition of 7 slips;
- Extension of the existing travel lift 6-feet seaward and installation a 2-foot-wide catwalk along the lift.

The project is located at 50 South Bay Avenue in the Town of Southampton, Suffolk County, Seatuck Cove.

The stated purpose of the proposed action is to allow increased capacity and more efficient use of the site for vessel mooring and navigation.

The applicant's consistency certification and supporting information are available for review at:

https://dos.ny.gov/f-2025-0668 or at https://dos.ny.gov/public-notices

Original copies of public information and data submitted by the applicant are available for inspection at the New York State Department of State offices located at One Commerce Plaza, 99 Washington Avenue, in Albany, New York.

Any interested parties and/or agencies desiring to express their views concerning any of the above proposed activities may do so by filing their comments, in writing, no later than 4:30 p.m., 30 days from the date of publication of this notice, or March 27, 2026.

Comments should be addressed to: Consistency Review Unit, Department of State, Office of Planning, Development and Community Infrastructure, One Commerce Plaza, 99 Washington Ave., Albany, NY 12231, (518) 474-6000; Fax (518) 473-2464. Electronic submissions can be made by email at: CR@dos.ny.gov

PUBLIC NOTICE

Department of State
F-2025-0711
Date of Issuance – February 25, 2026

The New York State Department of State (DOS) is required by Federal regulations to provide timely public notice for the activities described below, which are subject to the consistency provisions of the Federal Coastal Zone Management Act of 1972, as amended.

The applicant has certified that the proposed activity complies with and will be conducted in a manner consistent with the approved New York State Coastal Management Program.

In F-2025-0711, Breakwater Key Marina, Lee Henchman, is proposing to mechanically dredge approximately 24,900 cubic yards of sediment from shoaled areas totaling 3.3 acres within the Breakwater Key Marina. This area will be dredged to the proposed depth of -8.75 feet at mean lower low water, plus one foot of allowable overdepth. The dredged sediment will be disposed of at the Central Long Island Disposal Site (CLDS) or Western Long Island Sound Disposal Site (WLDS) as a potential alternative.

The CLDS is located within Long Island Sound, south of South End Point, East Haven, Connecticut and north of the Village of Shoreham, Town of Brookhaven, Suffolk County. The site boundary is a 2.4 square nautical mile rectangle centered at 41° 08.95' N and 72° 52.95' W (NAD 83).

The WLDS is located within Long Island Sound, is located ap-

proximately 2.7 nautical miles south of Long Neck Point, Noroton, Connecticut and covers an area approximately 2 square nautical miles in size, centered at 40° 59.50' N, 73° 28.95' W (NAD 83).

The stated purpose of the proposed action is to reestablish safe navigational water depths within the marina area.

The applicant's consistency certification and supporting information are available for review at:

https://dos.ny.gov/f-2025-0711 or at https://dos.ny.gov/public-notices

Original copies of public information and data submitted by the applicant are available for inspection at the New York State Department of State offices located at One Commerce Plaza, 99 Washington Avenue, in Albany, New York.

Any interested parties and/or agencies desiring to express their views concerning any of the above proposed activities may do so by filing their comments, in writing, no later than 4:30 p.m., 30 days from the date of publication of this notice, or March 27, 2026.

F-2026-0097 (DA)
Date of Issuance – February 25, 2026

The New York State Department of State (DOS) is required by Federal regulations to provide timely public notice for the activities described below, which are subject to the consistency provisions of the Federal Coastal Zone Management Act of 1972, as amended.

The National Oceanic and Atmospheric Administration (NOAA) Office of National Marine Sanctuaries has determined that the proposed activity complies with and will be conducted in a manner consistent to the maximum extent practicable with the approved New York State Coastal Management Program. The agency's consistency determination and accompanying public information and data are available for inspection at the New York State Department of State offices located at One Commerce Plaza, 99 Washington Avenue, in Albany, New York.

In F-2026-0097(DA), NOAA proposes to install 16 independent, single-vessel mooring systems in locations near 16 sanctuary shipwreck sites within the Lake Ontario National Marine Sanctuary.

The stated purpose of the project is to provide sustainable public access to these shipwrecks while maintaining the long-term preservation of the shipwrecks. The installation of moorings would provide for expanded recreational uses of Lake Ontario while improving diver safety by providing a secure means of descent and ascent to and from these sites.

The agency's consistency determination and supporting information are available for review at:

County of Sullivan
Sullivan County
Waste to Energy Facility
R-25-21

Sullivan County, New York is requesting proposals from companies to explore a partnership with a commercial firm for the development of a Waste to Energy (WTE) facility as a component of their long-term sustainability initiative. This new facility will be located within Sullivan County for the purpose of establishing local responsibility for in-county management of waste generated within the county.

This Request for Proposal (RFP) is being issued by Sullivan County in accordance with the provisions of Section 120-w of the General Municipal Law of New York State. As such, the County's selection of a company through this RFP process will be based on an evaluation of numerous factors and contract negotiations, and will not be solely based on price or potential revenues to the County.

Specifications may be obtained from the Director of Purchasing and Central Services at the Sullivan County Government Center, 100 North Street, Monticello, New York 12701, (845) 807-0515, or send request to Purchasing@Sullivanny.gov.

There will be a pre-proposal conference and site visit that will be conducted at 91 Landfill Drive, Monticello, NY, on Friday, March 6, 2026 at 10:00 a.m.

Questions and comments may be submitted via email to Purchasing@Sullivanny.gov, referencing #R-25-21, Waste to Energy, in the subject line, by no later than April 10, 2026.

Proposals will be received by the Director of the Department of Purchasing & Central Services at the Sullivan County Government Center, 100 North Street, Monticello, New York 12701, (845)807-0515, until 1:00 p.m., Friday, June 5, 2026.

EXECUTIVE ORDERS

Executive Order No. 56.3: Extending the Declaration of a Disaster Emergency in the Counties of Bronx, New York, and Contiguous Counties Due to Healthcare Staffing Shortages in the State of New York

WHEREAS, a strike of nursing personnel in Bronx and New York counties has caused several hospitals in the State to experience severe staffing shortages, affecting the availability and delivery of care, threatening public health and safety, and the ability to provide critical care, including to vulnerable populations, at a time when respiratory viruses remain widespread;

WHEREAS, to protect public health and safety, on January 9, 2026, I issued Executive Order 56 declaring a State Disaster Emergency in the counties of Bronx, Nassau, New York, and contiguous counties;

WHEREAS, the terms, conditions, and suspensions of Executive Order 56 are a temporary measure to ensure continuity of care and patient safety, and are not intended to afford leverage to any party in collective bargaining; and

NOW, THEREFORE, I, KATHY HOCHUL, Governor of the State of New York, by virtue of the authority vested in me by the Constitution and Section 28 of Article 2-B of the Executive Law, do hereby find a continued need for a disaster emergency order in Bronx and New York Counties and do hereby extend the State Disaster Emergency as set forth in Executive Order Number 56 and continue the terms, conditions, and suspensions contained in Executive Order Number 56 as applied to Bronx, New York, and contiguous counties through and including February 4, 2026.

(*) Includes Public Asset Fund resources:

Chapter 1 of the Laws of 2002 authorized the conversion of Empire Health Choice, d/b/a Empire Blue Cross and Blue Shield from a not-for-profit corporation to a for-profit corporation. Chapter 1 requires, in part, that upon such conversion, assets representing 95 percent of the fair market value of the not-for-profit corporation be transferred to a fund designated as the "Public Asset Fund" and 5 percent transferred to a Charitable Foundation - as set forth in Section 7317 of the Insurance Law. On December 28, 2005, WellChoice, Inc. (previously known as Empire Blue Cross, Blue Shield) approved a takeover by WellPoint, Inc. This conversion was also subject to the same Chapter 1 requirements of assigning assets representing 95 percent of the fair market value of the not-for-profit corporation be transferred to the "Public Asset Fund".

As of January 31, 2026, $11,220,771.18 (representing the remaining balance of the State's 95 percent share of the fair market value of the not-for-profit corporation plus interest) is on deposit in the sole custody account titled Public Asset Fund. In accordance with Section 4301(j)(4)(F) and (O) of the Insurance Law and at the direction of the Director of the Budget, these funds are available for transfer to HCRA Resources Fund (20800-20849).

(*) Pursuant to §98 of the State Finance Law, the State Comptroller is authorized to invest and keep invested all moneys, in any fund, held by the State. The Short Term investment Pool (STIP) represents an accounting mechanism that allows for the separate accounting of individual funds (on deposit in the State's General Checking account) for the purpose of making short term investments. Pursuant to State Finance Law §4(5) the STIP is authorized to temporarily loan to the General Fund-State Operations Account (10050) funds for a period not to exceed the end of the fiscal year. However, it must be noted that certain funds are invested as part of STIP, but are held by the State Comptroller in a fiduciary capacity. Fiduciary fund balances are restricted and may not be used for any State purposes since moneys in such funds are held by the State in a trustee (or fiduciary) capacity or as an agent for individuals, private organizations, or non-State governmental units (e.g. local governments and public authorities). Therefore, Fiduciary fund balances are not available to be temporarily loaned to the General Fund-State Operations Account. Fiduciary fund balances are presented in Schedules 3 and 4 of this report.

The Division of the Budget (DOB) is responsible for organizing and presenting the above schedule of 'Off Budget Spending'. Such reported disbursements are drawn from unaudited financial data provided by public authorities. Although the Office of the State Comptroller (OSC) has no reason to believe this information to be unreliable, it is important to note that these program disbursements are financed with public authority bond proceeds deposited directly into public authority accounts and all disbursements are made without any oversight by the OSC. Therefore, and pursuant to the provisions of Chapter 60, §16, of the Laws of 2006; this schedule is provided for information only.

(*) Temporary Loans are authorized pursuant to Subdivision 5 of Section 4 of the State Finance Law and Chapter 56, Part MM, Section 1 of the Laws of 2025-26. The loans represent authorizations made by the Legislature to allow certain funds/accounts to make appropriated payments regardless of the fund (cash) balance. Such loans are made from the State's Short-Term Investment Pool (STIP) and are intended to satisfy temporary cash shortfalls whenever scheduled disbursements exceed available revenues during the fiscal year. Generally, temporary loans are repaid from the first cash receipts of the fund or account; however, in some cases actual revenues are not sufficient to repay all loans made to the fund or account and a transfer from the General Fund "Repayment of Receivables" appropriation is approved by the Budget Director. The balances reported here in Appendix F are the actual fund balances as of the close of business on the last day of the reporting month and do not include post-closing adjustments. Please refer to Schedule 1 for a detailed analysis of the 'reported' cash balances of the fund group.

(**) Temporary loans to federal funds are typically reimbursed within 2-3 days. Such loans are made pursuant to federal regulations which require the State to disburse funds prior to making a reimbursement claim from the U.S. Treasury.

(***) Per Section 72 of the State Finance Law, the General Fund includes the Local Assistance Fund (10000) and State Purpose Fund (10050).

STATE OF NEW YORK
Notes to the Financial Statements
December 31, 2025 (Unaudited)

NOTE 1
The accounting policies and methods of estimating and accumulating financial data for preparation of the December 31, 2025 interim financial statements for governmental fund types are similar to those used to prepare the March 31, 2025 governmental fund financial statements.

NOTE 2
Within the governmental funds, transfers to other funds exceeded transfers from other funds by $10,090 million. Subsidies to the State University of New York and the Senior Colleges of the City University of New York totaling $12,881 million are reported as transfers to other funds offset by $2,791 million in Enterprise Funds subsidies which are reported as transfers from other funds.

NOTE 3
The following table presents a reconciliation of the budgetary cash basis operating results for the nine months ended December 31, 2025 as reported in the State Register, with the operating results for Governmental Fund Types prepared in accordance with generally accepted accounting principles (amounts in thousands):
